Governing Law	Western Australia
Special Conditions / Departures	Only those expressly listed here or in an agreed deviations schedule signed by the Contractor and the Supplier.

Order of precedence:

The Supplier agrees that if there is a discrepancy, ambiguity, conflict or inconsistency in the documents forming this Purchase Order, the following order of precedence will apply (with documents higher in the list taking precedence over documents lower in the list);

i) Contract Particulars;
ii) Purchase Order Details;
iii) Special Conditions;
iv) these Terms and Conditions; and
v) specifications, drawings and other documents expressly incorporated by the Purchase Order,

except to the extent that any part of the documents listed above imposes a higher or more onerous standard, quality, level of service or quantity than any other document in the list, in which case the higher or more onerous standard, quality, level of service or quantity will apply. Supplier terms and conditions do not apply unless expressly incorporated by the Contractor.
